Utah 100

12 Years of Celebrating Achievement!

October 26, 2006 marked the 12th anniversary of the MountainWest Capital Network's premiere annual event, the Utah 100 Fastest-Growing Companies Awards luncheon. Attracting more than 1,200 attendees comprised of Utah's most successful entrepreneurs and business leaders, the Utah 100 recognizes the state's 100 Fastest-Growing companies, 15 Largest Revenue Growth companies and "Emerging Elite."

Senator Bob Bennett was our featured speaker at this year's ceremony at the Grand America Hotel in Salt Lake City. Grant Nielsen of KSL Radio (1160AM & 102.7FM) emceed the awards event and presented each winner with a commemorative plaque. Winners also had their photo taken with Senator Bennett.

The Utah 100 recognizes companies for their significant contribution to the state and its expanding economy. It is also an opportunity for Utah's business community to join in honoring these successful companies, network, share ideas, and promote business in Utah. The MountainWest Capital Network launched the Utah 100 in 1995 as Utah's first business-growth recognition program.
